IMPORTANT ROAD CLOSURE INFORMATION

On Sunday 5 July 2026, the Outlaw Holkham Half Triathlon and Aquabike event will be held at Holkham Hall. We are expecting upwards of 1000 athletes taking on the challenge of a 1.2 mile swim, a 56 mile cycle and a 13.1 mile run. Many of the athletes will be raising funds for Alzheimer's Research UK who are official charity partners of the event.

The Team Mass Participation successfully run 2 other Outlaw Events annually across the country. You can see all of our events at www.outlawtriathlon.com

In order to facilitate a safe event for all there will be some traffic management measures on the bike course, which we would like to inform you of so you can make any necessary adjustments to your plans. These will be in place from early in the morning and we will do our best to remove them as soon as the last cyclist has passed.

The Outlaw Holkham Half Cycle route map can be viewed [here](#).

Please take time to read this document so you can familiarise yourself with any closures or Stop/Go boards that may add to your journey time.

If you have any unanswered questions about the event, please get in touch via email at info@outlawtriathlon.com or call **01522 699950**.

THANK YOU

We expect all of our athletes to behave in a courteous and considerate manner, but on occasions a small minority let the side down. We would ask for your help in curbing any less than desirable behaviour. If you see an athlete littering or behaving in an antisocial manner, please note their race number, which should be visible on their back and also the seat post of the bike. If you contact us on **07979 666452**, with details of the incident, we will then disqualify the athlete concerned. This number will only be monitored on the day of the event so please do not use it for general enquiries.

As organisers we appreciate that the traffic management implemented for the event, and in some places the volume of cyclists on the road, may cause inconvenience, for which we apologise. We thank you for your patience and support, with and for our athletes, many of whom are taking part to raise money for charities.

With kind regards

The Team Mass Participation, organisers of Outlaw Holkham
